## PET SPACE MISSION

Nowadays, the pets world represents a whole scenario of ideas, where innovative accessories play a fundamental role in meeting our furry friends' daily needs and ensuring their health and well-being.

Right to respond to the demands of an increasingly growing market, NASA is presenting the "Nasa Travel Pet" project, aimed at offering a range of products designed for safely spending time outdoors with our furry friends.

The manufacturer reserves the right to change these specifications without notice. Technical specifications may change according to local laws relating to the use of the accessories. The designs showed are still under approval. Unauthorized reproduction forbidden, even partially, for texts and pictures. All products and mentioned trademarks are registered by the legitimate owners. - 04/2024

These products have been designed by Asia Kingston (HK) Ltd.
